---

I'm a UX and product designer with a background in front-end development. I'm passionate about creating clear, thoughtful, and intuitive user experiences.

---

## Experience

### Product Designer

Jan 2018 – Present New York, NY

As part of the health benefits team, with a product manager and a team of engineers, I am working to improve the Justworks application by designing new features, updating outdated flows, conducting user testing, and contributing to the design system

### Senior UX Designer | Trulia & Zillow Group

Nov 2012 – Present San Francisco, CA & New York, NY

Working with product and engineering teams, designed new features for our customers on desktop and mobile, Redesigned and updated outdated and confusing experiences, Contributed to the evolution and implementation of a new style guide / component library

### UX Designer | Yahoo!

Sep 2011 – Nov 2012 Sunnyvale, CA

Worked with the mobile UED team on UI and visual design for Yahoo!'s Livestand iPad app, as well as concepting and ideation on a personalized Yahoo.com homepage experience

### Design & Front End Development Consultant | Brooks Brothers

Feb 2010 – Sep 2011 New York, NY

Working on-site as a consultant for HZDG, designed and developed minisites, landing pages, and other elements of the Brooks Brothers site for different seasonal lines and promotions

### Front End Developer | HZDG

Jan 2008 – Sep 2011 New York, NY

Developed websites, landing pages, banners, animations and other interactive web projects using Flash AS3, HTML, CSS, Javascript and JQuery
